Faculty . . .

Posed with the task of teaching the students of Ellendale High, the Faculty of 1969-70 proved to be highly competent. Whether through lecture, experimentation, participation, or a little private tutoring, we learned basic skills and acquired an awareness of our surrounding world. The Faculty members often took time from their homes and families to chaperone, advise, or entertain us.

Faculty . . .

As school opened it was evident that it was to be a year of new freedom and experimentation, as nearly all bells were abolished, study halls were informalized, and a new, more liberalized dress code was put into effect. A major obstacle during the year proved to be the continually changing teaching staff, causing some disruption of the general learning process of the students. As the year began, the Home Economics and Industrial Arts Departments were discontinued because of lack of funds. Shop classes, however, were resumed second semester with Mr. Phil Trautman as instructor.

As the days passed school spirit and money became items of the most concern to students. It seemed that the teachers almost always bought a box of candy or a Christmas candle. They would come through and take part in a skit at a pep rally before a game to aid in firing up the student body. Occasionally, though, there would be a day that seemed a little longer than the ordinary, and seventh period you could catch an instructor catching a glance at her watch.

Student Life

The involvement of the individual student is not only in the classroom, but spread out among the many different organizations and activities offered.

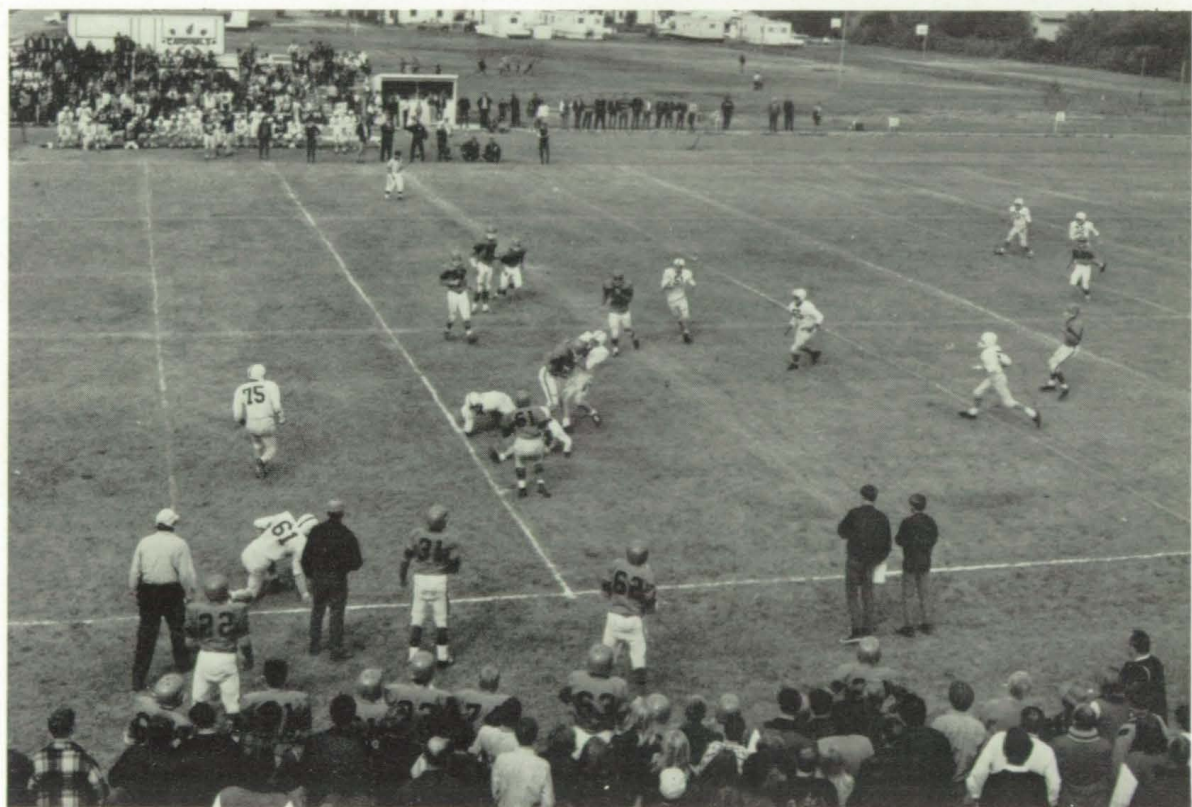

Students found that the 1969-1970 school year was a period of time where less emphasis was placed on conforming in dress and behavior, but a year where more stress was put on learning.

Homecoming!

A new queen reigned after a week's campaign staged by the nominating classes. It was obvious that Queen Kerri was deeply touched as last years queen, Connie King crowned her before an anxious audience. A short social hour and a pep fest followed.

On Saturday, a fired-up student body looked on as the tough Cardinal team was upset by Oakes. The Sunny Revolution played for the dance that evening.

Cardinal Day Royalty: Queen Kerri Voegeli, Princesses Julie Gimbel (top rt.), Pat Veland (above), Kathy Wallace (left), and Kathy Morrison (bottom).

Staff Regroups

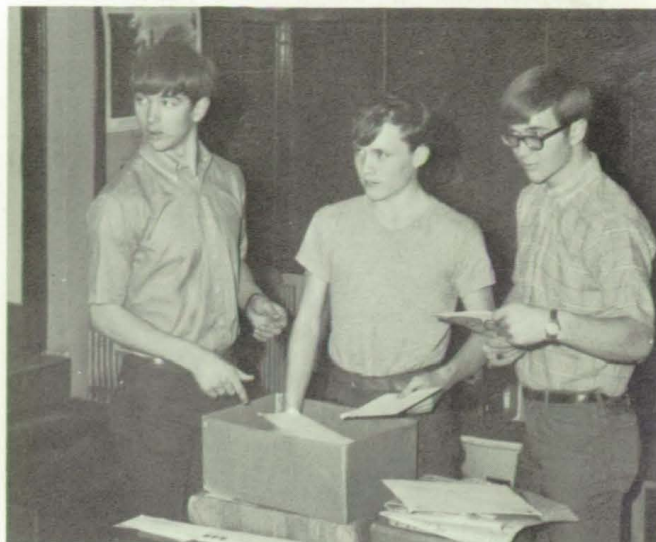

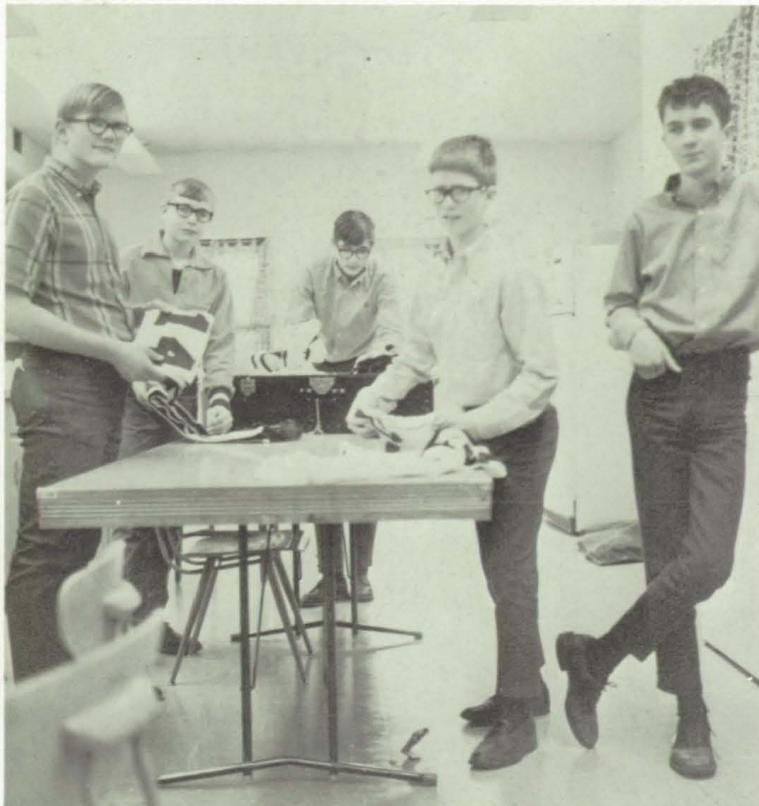

The Cardinal was reorganized as a regularly produced paper this year under the Sr. and Jr. Editors John Wheelihan and Cindy Bolliger. Under the advisorship of Mrs. Vix, the staff explored new areas in high school news reporting as well as all regular journalism. They were enrolled as members of the Northern Interscholastic Press Association.

Standing (l-r): Darrell Vasvick, Cindy Bolliger, John Wheelihan, Jana Kirkeby, Mrs. Vix, advisor. Sitting: Christy Rempfer, Kerri Voegeli, Becky Blumer, Sarah Ackermann, Kathy Morrison, Gail Hokana.

Student Council

This year's Student Council was not outstanding. Basically, it performed as well as its predecessors, sponsoring dances and trying to work for a generally apathetic and self-contented student body. One thing worth noting though, is the discussions in which members of the council met with Administration and School Board members, the result being a much wanted liberalized dress code.

Top: Members at work setting up Cara's campaign for state secretary. Above: Bruce, Cara, and Alicia working on Sno-Ball decorations. Above right: Jim Wheelihan at work on the Sno-Ball. Right: Members at a meeting.

Members of this year's council were Bruce Marvick, treasurer, vice-president Frank Kaiser, secretary Julie Gimbel, president Steve Blumer, Jim Roehl, Kathy Morrison, Cindy Dahl, Cara Gulsvig, R. Lee Ginsbach, Tom Bunn, Alicia Hamar, Ned Davis, Joyce Holte, Jim Wheelihan and Mr. Bertsch as advisor.

Sno-Ball

This year's Sno-Ball, entitled "'Twas the Night Before Christmas", was again a success as many students showed up to dance to the music of the Third Stone.

The big surprise of the evening was the crowning of Susan Redlin, a freshman, as Sno-Ball queen while senior Dale Davis was crowned king of this annual event.

The Sno-Ball was one of the dances sponsored by the student council.

Time of the Season

After a year of wondering whether or not the prom would be a reality or not, and a little support from the Seniors, the Juniors succeeded in producing the 1970 Junior-Senior Prom.

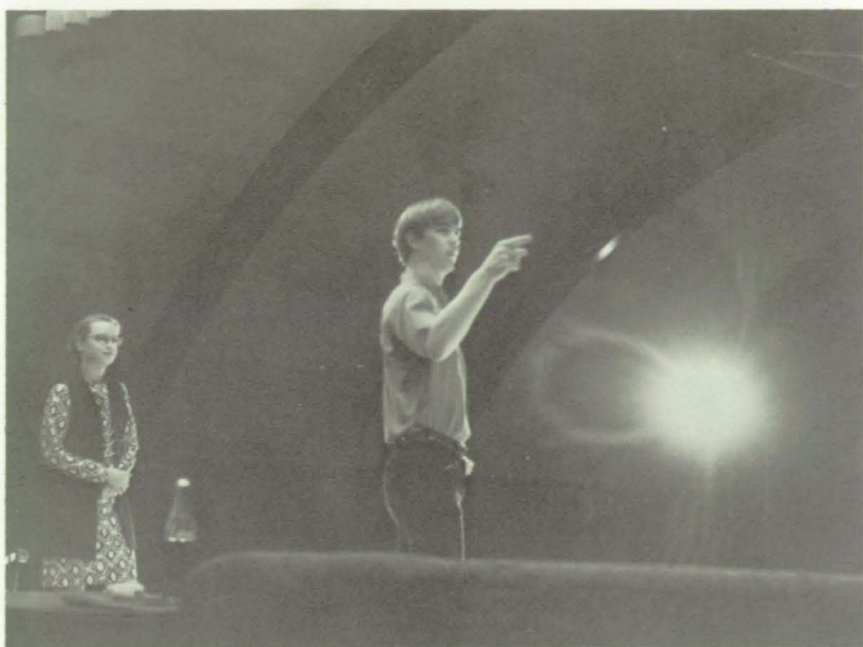

F.B.L.A.

The Future Business Leaders of America was a new organization this year. Finances were raised to pay part of the cost of attending the State Convention by handling the gate at several basketball games and the district tournament. At the convention, they succeeded in having R. Lee Ginsbach elected as first alternate voting delegate to the National Convention in Philadelphia, Pennsylvania.

"All Because of Agatha"

"All Because of Agatha" was put on by a cast of 10 before a capacity crowd. It was a story about the meddlings of a witch in present day Salem and her destruction.

A less formal construction and a little more copy are the basic changes in this year's production. Many people, more than are listed, put in a lot of time in developing a book we hope you will enjoy.

Top left: the marching band performing for a football halftime. Left: director Mr. Davis Law. Above: all business, the band practiced their marching often.

The band, under the direction of Mr. Law performed often at pep rallies, basketball and football games during the year. In district competition, the band received a II rating. In state competition, the Bb clarinet soloists received two of the three I ratings given in that division.

Show Team

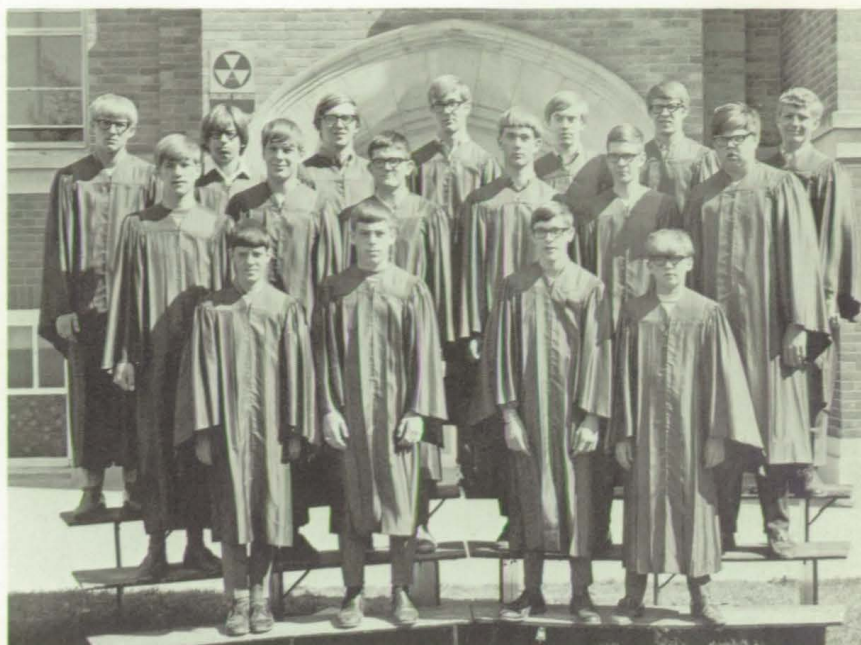

The show team provided twirling and Pom-pon entertainment for many of the basketball and football games. Members were (l-r): Maureen Hansen, Jana Kirkeby, Jill Bobzien, Cindy Dahl, Marcia McGinnis, Chris Rempfer, Joyce Holte, Becky Blumer, and Susan Fryslic.

Chorus

Vocal groups performed often and received phenomenal acclaim. In District competition, boy's, girls, and concert choirs all received I ratings, the highest possible rating for the most difficult type of music. Under the direction of Mrs. Redlin, many individuals received high ratings in district and state competition.

G.A.A.

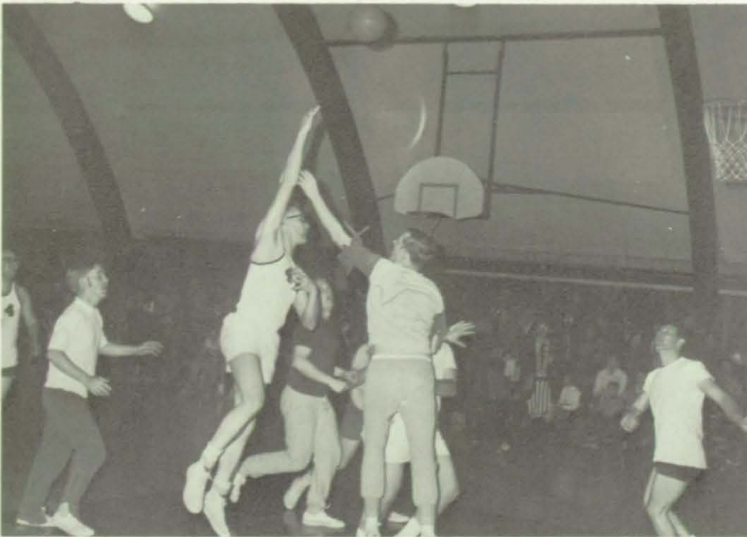

G. A. A. this year was the sponsoring organization for the girl's "E" Club. To raise money for the girl's "E" Club, the organization sponsored a bake sale and a powderpuff game. Besides this, the G. A. A. sponsored fun nights with invitations going to the Guelph G. A. A. and the Ellendale Lettermen's Club.

Right: Participants in the volleyball tourney. Below: Winners at the volleyball tourney. Below right: Ned Davis taking strike two during Lettermen's Night.

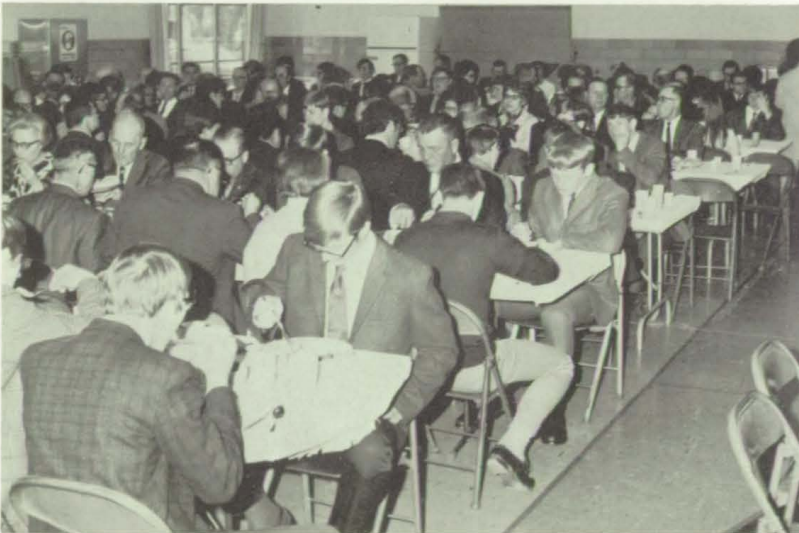

"E" Club Buys New Scoreboard

Due to the danger of playing basketball in the gym this year, only a few games were held at the high school, but in spite of this occurrence the lettermen bought and installed a new scoreboard.

The club's main project this year was a faculty-businessman basketball game which was handily won by the faculty. The proceeds from this game went toward the new scoreboard.

Cheerleaders

Cheerleading is acknowledged as a necessity in the preservation and production of school spirit. This year, with the rise in popularity of wrestling, a new team was added.

"A" squad: Kathy Morrison, Cara Gulsvig, Kathy Wallace, Marcia McGinnis, Pam Olson, and alternate Maureen Hansen. "B" squad: Susan Redlin, Susan Wallace, Jean Gimbel, Debbie Hausmann, Susan Fryslie, and Sherry Alger. Wrestling: Carol Marttila, Cindy Watkins, Gail Klatt, and Cindy Staudinger.

Class Night

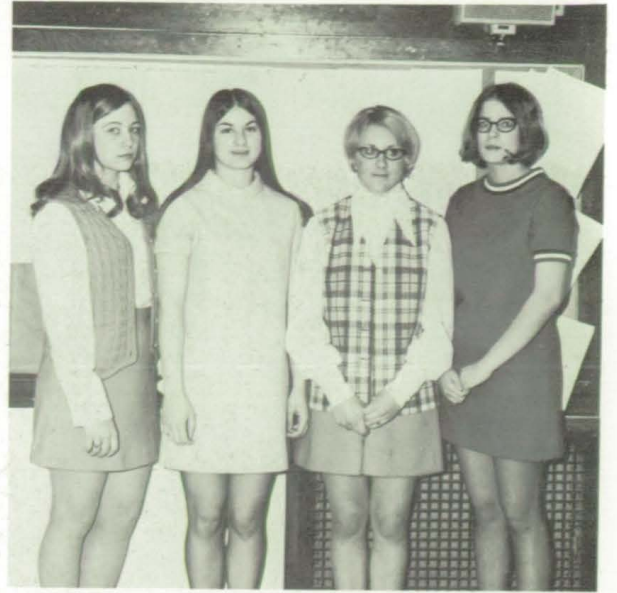

Billed as a night of fun and games and acclaimed as a hilarious evening of pure entertainment, Class Night was a feather in the class of '70's hat. Letting it all hang out, the seniors made their peace with E. H. S.

Honors

Ten new members were inducted into the National Honor Society this year; seven seniors and three juniors. The Student Council, as well as faculty members, voted on the new members.

The American Legion and American Legion Aux. are the sponsors of Boy's and Girl's State. Representing E. H. S. this year are two girls and three boys.

Graduation

The largest class in the history of Ellendale High School went through the commencement exercises on the night of May 29th. The main speaker was Mr. Kurt H. Peters from the Department of Education for Montana Dakota Utilities.

Sports

Athletics is a part of our educational system that teaches an individual the value of team work. The teams that represented E. H. S. this year were football with a 6-2 record, good for second place in the conference; basketball, 8-13; wrestling, 5-11, which was represented by three members at the State match; track, 2nd in the conference; and girl's track.

Cards Place 2nd

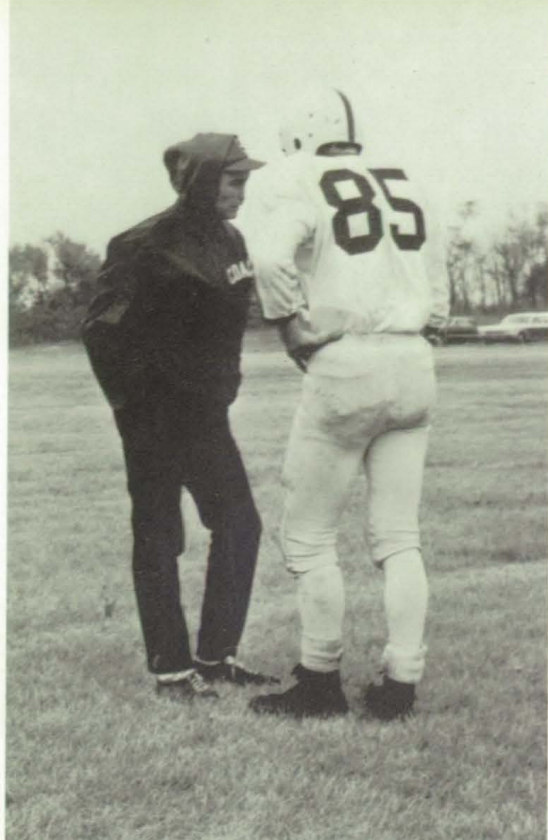

The 1969 football season provided fans with some hard hitting football seldom seen in this area. The Cardinals, under coach Lee Alger, were again a conference power. Beginning practice in the middle of August, the Cards decisively set back their first three opponents. They then fought hard to defeat Ashley before being upset by Oakes. After losing to Sargent Central, they again began their winning ways to defeat LaMoure and Edgeley, and all that was left were memories.

Football involves a lot of work, a lot of hot, hard practices, and 8 tough grueling games. This year we had a winning team, but we lost a couple, too. Below, a touchdown at Central. Right, two Cards after the Oakes game.

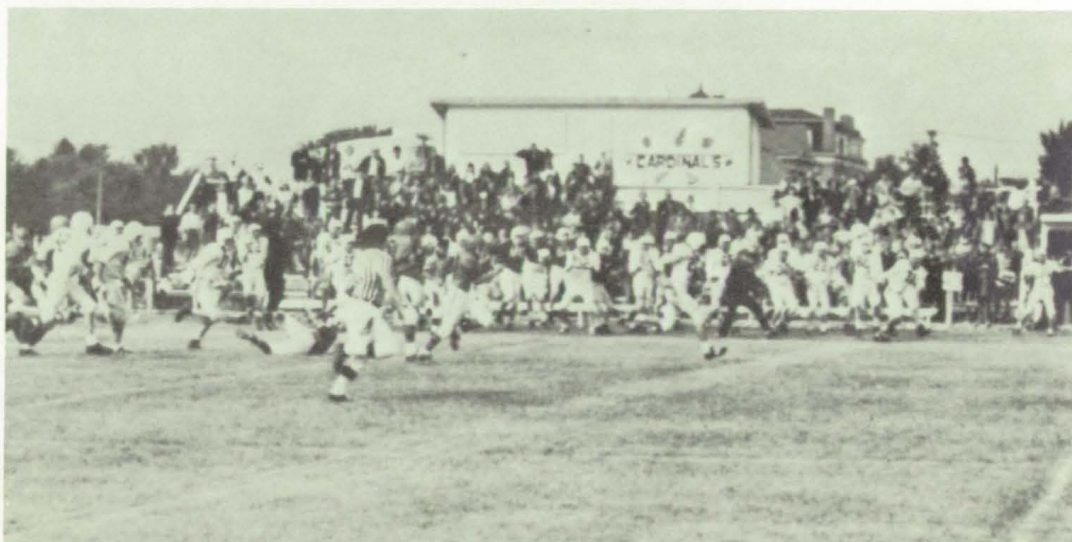

The hard hitting Cards led the league with 1968 yards rushing, while placing second in the tough Southeast Conference. The scoring leaders were Mike Wallock with 60 pts. and Steve Fryslie with 40 pts. In total rushing yardage, Wallock ran for an amazing 947 yards, Fryslie had 568 yds., and Bruce Marvick had 337. Quarterbacks Craig Schimke and Greg Roehl completed 42% of their attempted passes to bring the total Cardinal yardage up to 2534 yards. The tough Cardinal defense, which held 6 teams to one touchdown or less, was led by Butch Nell with 158 pts., Ralph Wallace with 118 pts., and Boyd Sand with 113 pts.

Cards Rebuild

Basketball was in a year of rebuilding this year as only four seniors were on the team. Under first year coach Richard Hanson, the young Cardinals compiled a 5-9 conference record and an 8-13 overall record. The team placed third in the district tournament.

"B" Squad

Under Coach Lee Alger, the "B" squad went through the year compiling a record of 6 wins and 11 losses. The "B" squad, a division of athletics that prepares the boys for "A" squad competition, served its purpose giving all members of the squad game experience.

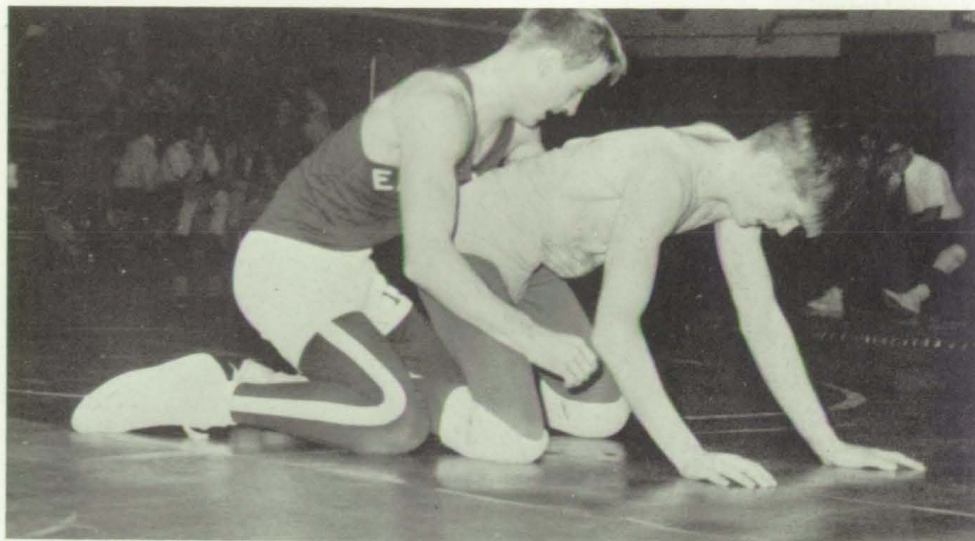

Standing (l-r): Coach Alger, Willy Bernhagen, Gary Boekelheide, Grant Crabtree, Tom Kendall, Tim Ost, Ernie King, Pete Graham, John Coleman. Kneeling: Mark Wickre, Paul Worm, Steve Hastings, Russell Grueneich, Mark Blumer, Joe Law, Jeff Rempfer, and Kirk Hird.

Team Ties for 8th!**

Again this year, the sport was dominated by individual efforts as there were only a few who had any experience to speak of. Dominating the scene were Alan Webster and Butch Nell who placed 2nd and 3rd in state respectively. Butch's only loss of the season came in the first match of the state meet after he had compiled a record of 43 consecutive victories. Webster had achieved several straight victories during the season also.

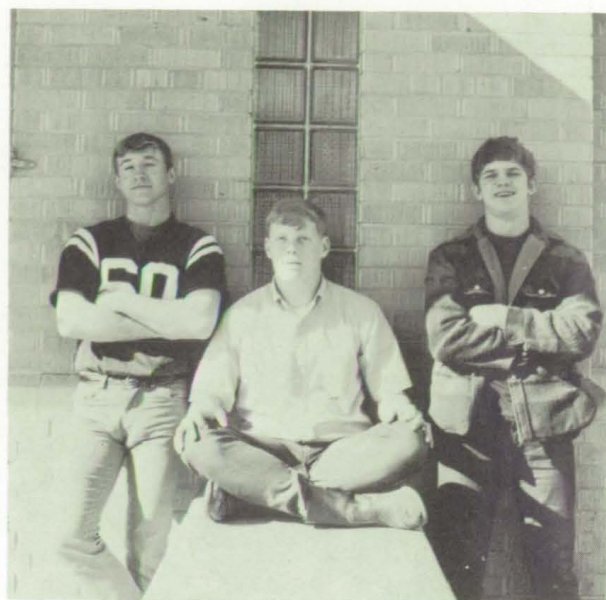

The team placed 7th in the conference, 5th in the region and 8th in state.

Track

The pictures on these pages show the agony, the effort, and the determination that track men feel in their sport. Probably the most personally demanding high school sport, along with wrestling, it takes real determination on the part of the individual to be a winner.

Followed a little closer by fans this year, the track team was a little more of a conference threat. Showing their strength in field competition primarily, led by weight men Walock and Nell and high jumper Steve Fryslie, the team placed 2nd in district and 3rd in the conference.

Back (l-r): coach Alger, Allen Miller, Steve Bobzien, Steve Fryslie, Boyd Sand, Mike Walock, Ellis Nell, Keith Hastings, Jim Wheelihan, Front: John Coleman, Tom Thompson, Jeff Rempfer, Dean Shilman, Willy Bernhagen, David Scherman, Gary Linder, Greg Nishek, Paul Worm, and Dick Coleman. Captains were Walock, Fryslie, and Robert Nishek.

in Action

The Cardinals placed 2nd in the district meet and 3rd in the conference this year. They also won the Forbes Inv. and their own invitational meet as well as participating in larger meets in the area. Qualifying for the state meet were Mike Walock and Steve Fryslie, juniors. Walock placed third in the shot put for Ellendale's only points.

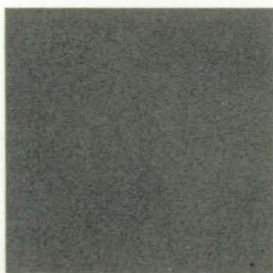

Girls' Track

With the hope of possibly qualifying for the state meet, several seniors doing so in the past, many youthful members joined the girls' track team, but the team never got off the ground. The team got good support from the school and community.

Classes

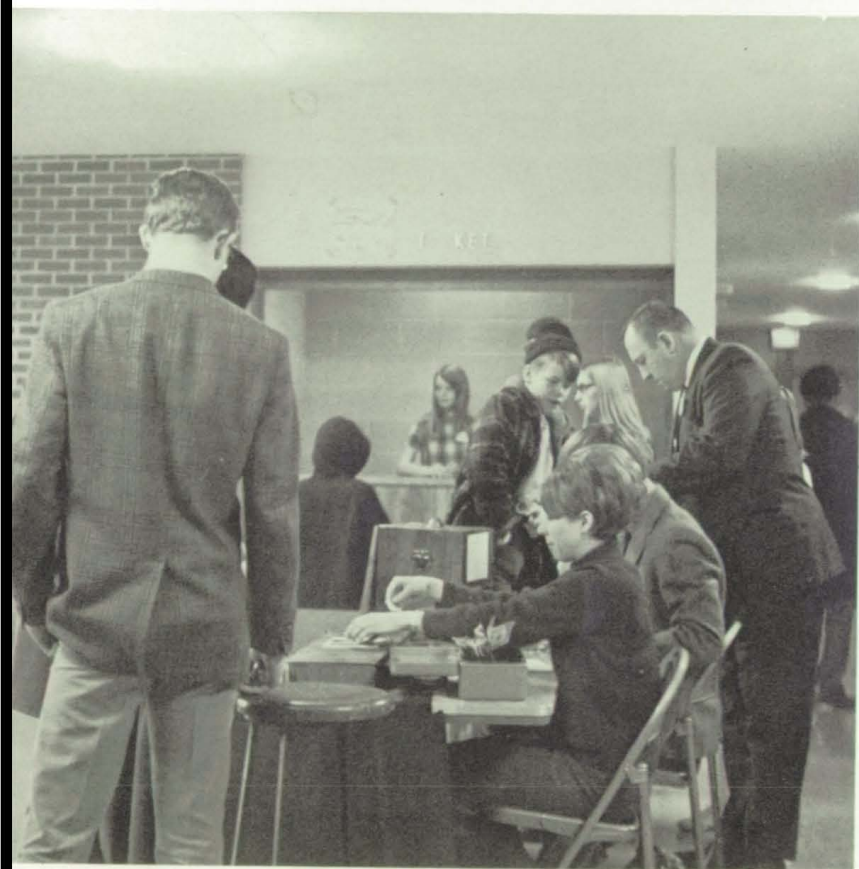

Classes, the structural segment of our educational system, are so formed as to bring the greatest number of students to the highest level of learning in the shortest period of time.

Collected

The year's activities, homecoming, basketball, the Sno-Ball, the prom, and finally graduation, were reviewed on the past 53 pages. The book will now enter into a more formal section consisting primarily of class photos.

On this two page spread are several pictures that will remind many readers of the pleasure, the work, the excitement, the fun that this brief moment of our lives consisted.

Community

The relationship between the community and the public school system which it supports is one of social interdependence. The spirit of the school and of the community are very much affected by the other.

Construction

Ellendale, a community with a junior college and a population of a little over 1600 people, is a community of religious spirit and a feeling for civic improvement. Organizations such as the Civic Assc. and Jaycees sponsored such things as the Harvest Festival and Sno-mobile derby. The college held two NIRA rodeos and citizens put on an Easter Cantata. All worked towards more civic pride and interest.

Page 75 top: two leaders in the Sno-mobile derby. Top right: the demolition derby during the Harvest Festival. Center: members of the community choir during the Easter Cantata and far right are several interested listeners.

and Involvement

Government

This year was an election year in Ellendale. Nearly all incumbents found they were running against a capable opponent, and vacated seats were contested by more capable candidates. This was a little unusual as on the average not so many are interested in holding positions of government in our community.

One bill worth noting that was turned down by voters was a mill levy increase to go for educational purposes. It fell short of the 60% needed by 2%.

Disaster

One of the greatest calamities the city of Ellendale has ever seen occurred in January of this year. Two of the oldest buildings in Ellendale, the two major buildings of the college, burned in the early morning. The blaze, seen from miles away, could only be contained that freezing morning as the fire fighters worked to save the rest of the buildings in the area.

The college has had a history of setbacks in its attempt to become a larger, more effective college. Boasting one of the top I. A. departments in the state, the college had just been changed from a growing four year college to a smaller jr. college when the fire hit. Whether this will mean the end of the college, the end of the city, the college being its major industry, only time will tell.
